

STATEMENT OF: **DANA CORTEZ**

CANDIDATE FOR: **TORRANCE CITY GENERAL MUNICIPAL ELECTION
CITY TREASURER**

ELECTION DATE: **06/03/2014** AGE: N/A OCCUPATION: **CITY TREASURER**

My name is **Dana Cortez**, and four years ago I was honored to be elected Treasurer for the City of Torrance. This allowed me to continue my now fourteen years of service to a city I love, and many in my family call home.

As your Treasurer, I will continue to practice the sound investment policies that have protected and preserved city assets through some of the most challenging financial times seen in generations. Adherence to the prudent principals of safety and liquidity while achieving returns in the market is something I take very seriously.

In addition to my experience, I hold the Nationally recognized financial and treasury accreditations of CCMT, CPFIM, and ACPFIM.

I am proud to have the support of esteemed Mayor Frank Scotto and the entire City Council, as well as retired City Treasurer Linda Barnett and many other community leaders.

To assure the City's continued financial success, on **June 3rd vote DANA CORTEZ for CITY TREASURER**
